Tom joined the team at Bailey's 12 years ago as a Part-Time Professional Motorcoach Driver. Since then, He has driven over 1,000 trips for us. MEET BABY PICCOLO

Lucia Jane Piccolo was born on Thursday, 4/13 weighing 5 pounds 12 ounces, 19.5 inches long. As Courtney said in her email to staff "we only have 25 more years until we can add her to our insurance to drive a bus." Courtney will be returning to the office at the end of May to resume her normal role here at Bailey's.

Kristy will try to survive until she returns... 🙃

FUNDRAISING FOR TURKEY

In March we teamed up with The Rotary Club of York to help raise money for Temsa. Temsa's headquarters are located in Turkey near the areas that were devastated by the 7.8 magnitude earthquake. Since the earthquake, they have cleared out their showroom to make way for those in their community. Temsa has been housing and feeding not only the people, but their pets.

Together the Bailey Team raised $840, which is being matched by The Rotary Club of York bringing the total donation to $1,680. These funds are not only helping the people that they are currently house, but to also build tiny home in hopes to bring some normalcy back to their home.
